The bestselling author of *All the Shah's Men* and *The Brothers* tells the astonishing story of the man who oversaw the CIA's secret drug and mind-control experiments of the 1950s and '60s. The visionary chemist Sidney Gottlieb was the CIA's master magician and gentlehearted torturer—the agency's "poisoner in chief." As head of the MK-ULTRA mind control project, he directed brutal experiments at secret prisons on three continents. He made pills, powders, and potions that could kill or maim without a trace—including some intended for Fidel Castro and other foreign leaders. He paid prostitutes to lure clients to CIA-run bordellos, where they were secretly dosed with mind-altering drugs. His experiments spread LSD across the United States, making him a hidden godfather of the 1960s counterculture. For years he was the chief supplier of spy tools used by CIA officers around the world. Stephen Kinzer, author of groundbreaking books about U.S. clandestine operations, draws on new documentary research and original interviews to bring to life one of the most powerful unknown Americans of the twentieth century. Gottlieb's reckless experiments on "expendable" human subjects destroyed many lives, yet he considered himself deeply spiritual. He lived in a remote cabin without running water, meditated, and rose before dawn to milk his goats. During his twenty-two years at the CIA, Gottlieb worked in the deepest secrecy. Only since his death has it become possible to piece together his astonishing career at the intersection of extreme science and covert action. *Poisoner in Chief* reveals him as a clandestine conjurer on an epic scale.

Mind Control in the United States? Hard to believe? The series Conspiracy Fact Declassified is back again to prove it happened. Through declassified documents and various other sources, we further explore human experimentation. This time we zoom in specifically on mind control and the Top Secret government projects that examined this realm. We name the names. This compelling book is sourced throughout. You'll find out about how the U.S. ferried Nazi scientists into the country after World War II, and how that single operation became the catalyst for the creation of MULTIPLE experimental projects. You'll find out how those projects sourced more than 88 institutions nationwide to perform mind control experiments on unwitting citizens. You will hear from survivors. As usual with Kate Marcello, you'll get that resource-packed Addendum at the end of the book with more information to explore. This time, we couldn't fit everything in this section of the book so you will also get access to a massive supplement file containing ALL of the declassified documents pertaining to MKULTRA. In addition, it's also packed with other documents and photos pertaining to the author's research on MKULTRA. Free to download, it is well over a GB of information. The classic thriller about a hostile foreign power infiltrating American politics: "Brilliant . . . wild and exhilarating." "The New Yorker A war hero and the recipient of the Congressional Medal of Honor, Sgt. Raymond Shaw is keeping a deadly secret—even from himself. During his time as a prisoner of war in North Korea, he was brainwashed by his Communist captors and transformed into a deadly weapon—a sleeper assassin, programmed to kill without question or mercy at his captors' signal. Now he's been returned to the United States with a covert mission: to kill a candidate running for US president . . . This "shocking, tense" and sharply satirical novel has become a modern classic, and was the basis for two film adaptations (San Francisco Chronicle). "Crammed with suspense." "Chicago Tribune "Condon is wickedly skillful." "Time

The CIA's attempt to find effective mind control techniques are recounted from their origins in the drug research of World War II, to their experiments on frequently unknowing subjects involving hypnosis and drugs such as LSD

This is the documented autobiography of a victim of government mind control. Cathy O'Brien is the only vocal and recovered survivor of the Central Intelligence Agency's MK-Ultra Project Monarch mind control operation. Chiseled deep into the white stone of the CIA's Langley, Virginia headquarters is a partial verse lifted from the Holy Bible and writings of Saint John... "and the truth shall set you free." This statement, like the agency, is total reality. The building that it is engraved upon houses the world's most successful manufacturer of lies to facilitate psychological warfare. The "Company" uses truth and technology as their raw materials to produce "pure" lies for control of you and America's allies.

*Enigma: A Veteran's Quest for Truth* is a memoir of the author's experiences as he was impinged by the activities of the United States military. The experiences noted span the eighty year time period of the author's life. This period covers World War II, the Korean Conflict, The Berlin Crisis, Vietnam, and the military altercations in the Middle East during the last ten years. The loss of three cousins during the bombing of Pearl Harbor resulted in the binding of my family into a unity of purpose. Defeat the axis powers! That bombing also unified the people of the United States and their allies into a cohesive unit with

the same purpose. Defeat the axis powers! Patriotism resulted in the author voluntarily joining the National Guards when he became old enough to do so. This resulted in his being placed on active duty during the Berlin Crisis. What followed became a mystery that took fifty years to unravel. Because other veterans were caught in the same conundrum, the author's experiences unlikely will have applicability to many veterans in addition the author.
