Readings for

Sociology | Knetbooks

This is a required

reading for my

Sociology class, so

I'm glad I was able to

get it very cheaply. If I

were to nitpick on one

thing, it's that the

book is not quite in

Where To Download

the "very good" condition that I would think that it should be - the right hand

corners are bent out a little parts of the cover are chipped, a little bit of the bottom right hand pages seem a little stained, things like that.
