This hilarious and adorable picture book about creativity, fear of failure, and embracing your imperfections is perfect for kids and budding artists of all ages. After an inspiring visit to the local art museum, Raven Rembrandt is eager to create her own beautiful masterpieces. But the only thing she can seem to draw are ugly doodles -- and they won't go away, no matter how hard she tries to discard them! After a few increasingly inventive attempts to get rid of them, Raven realizes that the only way to learn to love her art is to just create. Valeria Wicker's endearing and quirky art style adds humor to her sweet and whimsical story about overcoming a fear of imperfection and failure.
