There is a competitive advantage out there, arguably more powerful than any other. Is it superior strategy? Faster innovation? Smarter employees? No, New York Times best-selling author, Patrick Lencioni, argues that the seminal difference between successful companies and mediocre ones has little to do with what they know and how smart they are and more to do with how healthy they are. In this book, Lencioni brings together his vast experience and many of the themes cultivated in his other best-selling books and delivers a first: a cohesive and comprehensive exploration of the unique advantage organizational health provides. Simply put, an organization is healthy when it is whole, consistent and complete, when its management, operations and culture are unified. Healthy organizations outperform their counterparts, are free of politics and confusion and provide an environment where star performers never want to leave. Lencioni's first non-fiction book provides leaders with a groundbreaking, approachable model for achieving organizational health—complete with stories, tips and anecdotes from his experiences consulting to some of the nation's leading organizations. In this age of informational ubiquity and nano-second change, it is no longer enough to build a competitive advantage based on intelligence alone. The Advantage provides a foundational construct for conducting business in a new way—one that maximizes human potential and aligns the organization around a common set of principles.

Essentials of Musculoskeletal Care, Enhanced Fifth Edition is a robust educational resource focused on how to evaluate and manage common musculoskeletal conditions. This text is used for immediate, point-of-care guidance in decision making and intervention and is a powerful educational product for many health professions dealing with the care of the musculoskeletal system. The easy-to-understand content and crisp presentation appeal to health care professionals and students. It is also a powerful tool to help educate patients regarding conditions and treatment.

"A paeon to cognitive agility and the elasticity of the imagination... Convincingly, Framers is a plea for diversity in all its forms. It argues for the importance of 'frame pluralism', in which ideas can compete vigorously yet still share space."—The Economist The essential tool that will enable humanity to find the best way through a forest of looming problems is defined in Framers by internationally renowned authors Kenneth Cukier, Viktor Mayer-Schönberger and Francis de Véricourt. From pandemics to populism, AI to ISIS, wealth inequality to climate change, humanity faces unprecedented challenges that threaten our very existence. To frame is to make a mental model that enables us to see patterns, predict how things will unfold, and make sense of new situations. Frames guide the decisions we make and the results we attain. People have long focused on traits like memory and reasoning leaving framing all but ignored. But with computers becoming better at some of those cognitive tasks, framing stands out as a critical function—and only humans can do it. This book is the first guide to mastering this innate human ability. Illustrating their case with compelling examples and the latest research, authors Cukier, Mayer-Schönberger and de Véricourt examine: · Why advice to "think outside the box" is useless. · How Spotify beat Apple by reframing music as an experience. · What the historic 1976 Israeli commando raid on Entebbe that rescued over 100 hostages can tell us about how to frame. · How the #MeToo twitter hashtag reframed the perception of sexual assault. · The disaster of framing Covid-19 as equivalent to seasonal flu, and how framing it akin to SARS delivered New Zealand from the pandemic. Framers shows how framing is not just a way to improve how we make decisions in the era of algorithms—but why it will be a matter of survival for humanity in a time of societal upheaval and machine prosperity.

The definitive guide to starting and running a small business: The Smarta Way to Do Business is the first definitive handbook for starting a business to bring you advice from real-world entrepreneurs who've been there, and done that. Packed with everything you need to know to start and run a successful business, straight from the UK's leading experts, this is the insider's guide YOU need to build a successful business right NOW. Featuring exclusive video interviews with anyone who's anyone in the world of entrepreneurship, including Theo Paphitis, Deborah Meaden, Duncan Bannatyne, Sarah Beeny, Doug Richard, Martha Lane Fox, Caprice, Sahar Hashemi, and more, the book also brings you unique insights from Peter Jones, Mike Clare, Julie Meyer, Rachel Enaugh and many others! Loaded with exclusive video interviews and expert expertise: The complete start-up pack from the UK's high-profile online platform for entrepreneurs Packed with insider advice on starting your own business: Whether you're just starting out, looking to take your business to the next level or exploring how social media and emerging technologies could boost your customer sales, The Smarta Way to Do Business has the answers you're looking for.

"A tactical primer for any business embarking on the critical work of actively building community."—Seth Godin, Author, This is Marketing "This book perfectly marries the psychology of communities, with the hard-earned secrets of someone who's done the real work over many years. David Spinks is the master of this craft."—Nir Eyal, bestselling author of Hooked and Indistractable The rise of the internet has brought with it an inexorable, almost shockingly persistent drive toward community. From the first social networks to the GameStop trading revolution, engaged communities have shown the ability to transform industries. Businesses need to harness that power. As business community expert David Spinks shows in The Business of Belonging: How to Make Community your Competitive Advantage, the successful brands of tomorrow will be those that create authentic connection, giving customers a sense of real belonging and unlocking unprecedented scale as a result. In his career of over 10 years in the business of building community, Spinks has learned what a winning community strategy looks like. From the fundamental concepts—including how community drives measurable business value and what the appropriate metrics are—to high-level community design and practical engagement techniques, The Business of Belonging is an epic journey into the world of community building. This book is for decision makers who want to better understand the value and opportunity of community, and for community professionals who want to level up their strategy. Featuring a foreword by Startup Grind and Bevy cofounder Derek Andersen, it will give you a step-by-step model for strategically planning, creating, facilitating, and measuring communities that drive business growth. Attracting and retaining community members who are also loyal customers, brand evangelists, and leaders—that's the goal for today's connected businesses, and this book is the map to getting there.

The Enhanced Media Edition of BIOLOGY: ORGANISMS AND ADAPTATIONS captures your passion and excitement for the living world! The authors build on the connection we all have to nature to inspire you to engage with biology in the same way you do when visiting zoos, aquariums, or just taking a walk in the park. Each chapter uses fascinating organisms such as blue whales, salamanders, and redwood trees to present, organize, and integrate biological concepts. Merging the excitement and passion for living things with an understanding of biological concepts, this highly accessible and practical approach to the study of biology develops scientific literacy and connective thinking. The Enhanced Media Edition is a fully integrated package of print and media with comprehensive learning tools. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

This special enhanced edition of Teach Like a Champion brings to life the 49 essential teaching techniques from Doug Lemov. In his best-selling book, Teach Like a Champion, Doug Lemov helps new and veteran teachers working with students of all ages become champions in the classroom. These powerful techniques are concrete, specific, and easy to put into action immediately. In this enhanced edition of Teach Like a Champion, the reader will find all the great content in the original book but all 25 video clips are integrated and playable within the chapters. Read the technique description and see it in action immediately! The enhanced edition makes the invaluable content even more accessible and engaging. It's perfect for personal professional development as well as for use in group settings. Among the techniques: \*\*Technique #1: No Opt Out. How to move students from the blank stare or stubborn shrug to giving the right answer every time. \*\*Technique #22: Cold Call. In order to make engaged participation the expectation, call on students regardless of whether they have raised their hands. \*\*Technique #35: Do It Again. When students fail to successfully complete a basic task, from entering the classroom quietly to passing papers around, doing it again, doing it right, and doing it perfectly, results in the best consequences. Highlights of the enhanced edition include: \*\*A complete digital version of the print book. \*\*25 seamlessly integrated video clips of champion teachers demonstrating successful techniques with their students. \*\*A new bonus Video Introduction with author Doug Lemov. Hear Doug's suggestions on how to use the book, and why he thinks this new enhanced format of Teach Like a Champion is perfect for busy educators!

First published forty years ago, Roots electrified the nation: it received a Pulitzer Prize and was a #1 New York Times bestseller for 22 weeks. In the four decades since then, the story of the young African slave Kunta Kinte and his descendants has lost none of its power to enthrall and provoke. Roots: The Enhanced Edition features rare interviews with author Alex Haley from the NBC News Archives that took place as the Roots phenomenon unfolded over 30 years ago. There are also photos, footage, and recordings from the Haley family, all of which provide a unique understanding of Alex Haley's journey researching and writing the book. In new video interviews NBC's Tom Brokaw and David Wilson reflect on the story's lasting impact. Roots is a groundbreaking story of history and family that spanned continents and touched generations. One of the most important books and television series ever to appear, Roots galvanized the nation and created an extraordinary political, racial, social and cultural dialogue that hadn't been seen since the publication of Uncle Tom's Cabin. The book sold over one million copies in the first year, and the miniseries was watched by an astonishing 130 million people. It also won both the Pulitzer Prize and the National Book Award. Roots opened up the minds of Americans of all colors and faiths to one of the darkest and most painful parts of America's past, and we continue to feel its reverberations today. Roots: The Enhanced Edition is truly definitive—adding unmatched, sweep, context and insight to this ever-relevant classic. The Enhanced Edition features: Full text of the book Video introduction and interview with David Wilson New video interview with Tom Brokaw Footage of author Alex Haley provided by the NBC News Archives and the Haley family, including Today Show interviews with Tom Brokaw, Roots-related events in the 1970s, an extended interview about the book, and more (45 minutes of video) Recordings of Alex Haley speaking about researching and writing the book (30 minutes of audio) 10 rare photos from the Haley family Essay by Alex Haley Reading Group Guide Introduction by Michael Elyson Extended biography of Haley
