Garland has a unique writing style and it is also very descriptive. Even if you have never seen the movie, the way he paints the picture of the beach and lagoon is amazing. The irresistible novel that was adapted into a major motion picture starring Leonardo DiCaprio. The Khao San Road, Bangkok -- first stop for the hordes of rootless young Westerners traveling in Southeast Asia. On Richard's first night there, in a low-budget guest house, a fellow traveler slashes his wrists, bequeathing to Richard a meticulously drawn map to "the Beach." The Beach, as Richard has come to learn, is the subject of a legend among young travelers in Asia: a lagoon hidden from the sea, with white sand and coral gardens, freshwater falls surrounded by jungle, plants untouched for a thousand years. There, it is rumored, a carefully selected international few have settled in a communal Eden. Haunted by the figure of Mr. Duck -- the name by which the Thai police have identified the dead man -- and his own obsession with Vietnam movies, Richard sets off with a young French couple to an island hidden away in an archipelago forbidden to tourists. They discover the Beach, and it is as beautiful and idyllic as it is reputed to be. Yet over time it becomes clear that Beach culture, as Richard calls it, has troubling, even deadly, undercurrents. Spellbinding and hallucinogenic, The Beach by Alex Garland -- both a national bestseller and his debut -- is a highly accomplished and suspenseful novel that fixates on a generation in their twenties, who, burdened with the legacy of the preceding generation and saturated by popular culture, long for an unruined landscape, but find it difficult to experience the world firsthand.

Richard est un routard d'aujourd'hui, en quête de solitude et de sensations fortes, fasciné par l'Asie. A Bangkok, dans une guesthouse minable, il entend parler d'une île interdite aux touristes, bordée par une plage paradisiaque où l'on peut vivre de riz, de poisson et de marijuana. Parvenu en ce lieu mystérieux en compagnie d'un couple de Français, il s'assimile aisément à la petite communauté " baba cool " qui y mène une existence réveuse de soleil, de couleurs et de drogue. Mais ce bonheur est trompeur et le groupe va se trouver peu à peu confronté à l'horreur et à la violence. Ce premier roman d'un jeune écrivain anglais a été salué comme le portrait magistral d'une génération. Cette chronique d'un cauchemar annoncé se dévore comme un véritable thriller sous les tropiques.
