INTRODUCING THE REAL BRITISH EMPIRE John Newsingers "The Blood Never Dried" might be subtitled as a "Peoples History of the British Empire" but it is nothing of the sort. What the reader will instead find is a fine piece of writing that rather than providing a linear history of the Empire, examines a number of historical episodes that starkly illuminate what under girded the Empires existence: brutality and violence.

The Blood Never Dried is essential reading for anyone interested in the connective threads between past and present, between historical narratives and current politics. It is a passionate condemnation of the violence and duplicity which forged and maintained the British Empire, and the aftermath of its racist policies in contemporary Britain.

[John Newsinger - Wikipedia](#)

"The Blood Never Dried" is a people's history of the British Empire, and as such is an overdue critical, systematic examination of the litany of crimes, murders, and exploitations of all parts of the world undertaken under the banner of the Union Jack.
