The Caring and Keeping of Us is a three book set that includes one book for the daughter, one book for mom and one book that you both fill out. These books not only help you through those awkward conversations about puberty and periods, but also helps you build a closer relationship that will help you both navigate those teenage years better.

The Care & Keeping of Us. Wow, life is changing fast! And there's so much for moms and girls to talk about. But how do girls ask the questions they need answers to, and what words can moms use to answer those questions? Here's the solution! This kit includes twin books, one for girls and one for moms, filled with dozens of how-to-say-it scripts to get the conversations going.

The Care & Keeping of You 1. Welcome to the updated version of American Girl's best selling body book. The original TCKY came out in 1998 and currently has more than 4 million copies in print. Its success is credited to word-of-mouth: parents telling other parents, girls telling other girls, and doctors telling families in their practices. The updated version dives deeper into basic health - nutrition, exercise, sleep, hygiene, and screen time - giving tween girls age-appropriate and ...
