The Innovator's Blind Spot | Psychology Today

We hear about innovation all the time but Ross Baird believes that there's more to innovation than startups solving what he calls "my-world" problems. We hear about innovation all the time. We hear that it's happening in primarily in technology, where startups aim to "disrupt" various industries.

Entrepreneurship Needs You: The Innovation Blind Spot - GenBiz

His new book, The Innovation Blind Spot, is about what they miss and the strengths young entrepreneurs have to offer. Using innovation to fight a lack of diversity Startups have a diversity problem. According to Baird, 78 percent of startup investment capital goes to companies in New York, Massachusetts, and California.

Entrepreneurship Needs You: The Innovation Blind Spot - GenBiz

In The Innovation Blind Spot: Why We Back the Wrong Ideas and What to Do About It, released just last week, Baird describes how mental shortcuts, biases, and funding models prevent us from tackling our most pressing social and economic challenges, instead opting to solve problems that are familiar, and where investment returns are more predictable.

The Innovation Blind Spot — Ian Hathaway

The Innovation Blind Spot is wonderfully written and provides a roadmap of how to back the right ideas. The book also illuminates stories of founders, investors, foundations and local governments...

The Innovation Blind Spot And How To Invest In The Right ...

Recently, my friend Ross Baird came out with a new book, The Innovation Blind Spot. In the book, Ross outlines and diagnoses a problem that I've been exploring for over a decade: our innovation economy neglects many people and ideas. Ross kicks off the book with some pretty stark statistics: despite the fact that promising startup communities (such as my hometown of Boulder) are thriving, in ...

The Innovation Blind Spot - Why we back the wrong ideas ...

In The Innovation Blind Spot, venture capitalist Ross Baird demonstrates how to fix the problem by helping us find better ideas, looking at people, places, and industries often overlooked. Baird also explores "one-pocket thinking", which ensures ideas are not just benefiting a few people from the top down, but broadly benefiting entrepreneurs, business, and society from the bottom up.

The Innovation Blind Spot by Ross Baird, Steve Case ...

The Innovation Blind Spot provides an insider perspective on an emerging revolution in entrepreneurship. The smartest entrepreneurs, investors, and firms will exploit society's blind spots, finding success in opportunities that are currently being overlooked. This book reveals where these opportunities are and how to pursue them.

The Innovation Blind Spot - BenBella Books

We found that, overall, innovation does not rank as a top strategic challenge for the majority of boards. Although directors in certain industries are more aware of the threat of disruption, the...

Innovation Should Be a Top Priority for Boards. So Why Isn ...

CEO Blind Spots: Why Disruption Remains Prevalent I asked this question not long ago to Hal Gregersen , who coauthored The Innovator's DNA (2011) with Christensen and Jeffrey Dyer.
