The Lunar Men: The Inventors of the Modern World 1730-1810 ...

Chief instigator of the Lunar society was Erasmus Darwin, an amiable man who managed to get rich doing his rounds as a doctor as well as inventing what we now (wrongly) call Ackermann steering, as used on all modern vehicles, a copying machine, and a speaking machine.

The Lunar Men : A Story of Science, Art, Invention and ...

The Lunar Men: The Inventors of the Modern World, 1730-1810. Led by Erasmus Darwin, the Lunar Society of Birmingham was formed from a group of amateur experimenters, tradesmen and artisans who met and made friends in the Midlands in the 1760s. Most came from humble families, all lived far from the centre of things, but they were young and their optimism was boundless: together they would change the world.

The Lunar Men: The Inventors of the Modern World, 1730 ...

"The Lunar Men" is a meticulous account of several extraordinary doctors, artists, and experimenters whose attempts to understand and control the world around them led to great advancements in science and manufacturing during the 18th century. These included Erasmus Darwin, James Watt, Josiah Wedgwood, Joseph Priestley, and Matthew Boulton.

The Lunar Men by Jenny Uglow - Goodreads

Chief instigator of the Lunar society was Erasmus Darwin, an amiable man who managed to get rich doing his rounds as a doctor as well as inventing what we now (wrongly) call Ackermann steering, as used on all modern vehicles, a copying machine, and a speaking machine.

The Lunar Men: The Inventors of the Modern World 1730-1810 ...

The Lunar Society, or Lunar Circle as it was first called, was one such club. It met in and around Birmingham, England between 1765 and 1813. It was the members of this club however, that would set it apart from any other.

The Lunar Society - Historic UK

Erasmus Darwin was the chief instigator of the Lunar Society, a man whose amiable personality combined with the fact that he travelled around as a doctor brought him into contact with many famous men of his time (he turned down the offer of becoming royal physician to the king), as well as thinkers and working men.

The Lunar Men: The Friends Who Made the Future 1730-1810 ...

The Lunar Society of Birmingham was a British dinner club and informal learned society of prominent figures in the Midlands Enlightenment, including industrialists, natural philosophers and intellectuals, who met regularly between 1765 and 1813 in Birmingham.At first called the Lunar Circle, "Lunar Society" became the formal name by 1775. The name arose because the society would meet during ...

Lunar Society of Birmingham - Wikipedia

The Lunar Men is a collaborative and interactive performance piece centred around the extraordinary characters of the Lunar Society, a group of dynamic inventors, experimenters, and philosophers of the Eighteenth Century. Their story is interwoven with exquisite and comic folk tales, combining Maria's rich and eloquent storytelling and Sarah's responsive musicianship and singing.
