Nik Collection was originally
launched by Nik Software but in
September 2012 it was acquired
by Google. At the time this was
largely thought to be to enable
Google to get hold of Snapseed, an
excellent (and popular) mobile
image editing app.

Nik Collection 3 Review | Camera
Jabber

Yes, Nik Collection can be used as

Download Ebook The Official Nik Software Image

a standalone product. However, you will get the smoothest workflow if you open your images from your preferred images editor. Since Nik software collection of plugins intended to plug into other software, it doesn't have features like image library management, a crop tool or rotating tool.

Introduction to Nik Collection:

What is it? - Photography ...

Achieve spectacular image quality in just one step with DxO

DeepPRIME, our revolutionary new technology based on artificial intelligence (AI) and developed using deep learning. Exclusive to DxO, DeepPRIME technology not only drastically improves digital noise reduction, but also enhances demosaicing.
