From the New York Times—bestselling author of Poison Flower: a retired intelligence officer is caught in “[a] harrowing hunt-and-hide adventure” (The New York Times). To all appearances, Dan Chase is a harmless retiree in Vermont with two big mutts and a grown daughter he keeps in touch with by phone. But most sixty-year-old widowers don’t have multiple driver’s licenses, savings stockpiled in banks across the country, or two Beretta Nanos stashed in the spare bedroom closet. Most have not spent decades on the run. Thirty-five years ago, as a young army intelligence hotshot, Chase was sent to Libya to covertly assist a rebel army. When the plan turned sour, Chase acted according to his conscience—and triggered consequences he never could have anticipated. To this day, someone still wants him dead. And just when he thought he was finally safe, Chase is confronted with the history he spent much of his life trying to escape. “Perry drives deep into Jack Reacher territory in this stand-alone [novel] . . . Swift, un sentimental, and deeply satisfying. Liam Neeson would be perfect in the title role.” —Kirkus Reviews

"The Terrible Old Man" is a short story by H. P. Lovecraft, written on January 28, 1920, and first published in the Tryout, an amateur press publication, in July 1921. The Terrible Old Man is a strange elderly man "so old that no one can remember when he was young, and so taciturn that few know his real name". He lives alone in an ancient house on Water Street in the town of Kingsport. The Terrible Old Man reappears in the story "The Strange High House in the Mist" in a more benevolent role.

This Prestwick House Literary Touchstone Edition includes a glossary and reader?s notes to help the modern reader contend with Ibsen?s approach to complex human interactions and the relationship between the sexes.Norwegian-born Henrik Ibsen?s classic play about the struggle between independence and security still resonates with readers and audience members today. Often hailed as an early feminist work, the story of Nora and Torvald rises above simple gender issues to ask the bigger question: "To what extent have we sacrificed our selves for the sake of social customs and to protect what we think is love?" Nora?s struggle and ultimate realizations about her life invite all of us to examine our own lives and find the many ways we have made ourselves dolls and playthings in the hands of forces we believe to be beyond our control.
