THE OTHER SISTER is a book that I felt worked on some levels for me. I liked the last part the most when the big confrontation between the sisters and their father occurs. The story had its ups and downs, and ultimately I felt that it's an OK book.

Two sisters who couldn't be more different come together to plan a shocking revenge in this "addicting" (Hello Giggles) domestic thriller. Two sisters. One murder plan. Everyone thought reckless, troubled Geraldine Monroe was the bad sister -- especially when she fled town after her mother's death twenty-five years ago. But people don't know the truth. Marie Monroe knows. She was there for their father's cruel punishments, the constant manipulation, the lies. Everyone thinks she's the perfect daughter -- patient and kind, and above all obedient. No one would suspect her of anything. Especially not murder. Now Geraldine's home again, and she and Marie have united in a plan for the ultimate revenge. But when old secrets and new fears clash, everyone is pushed to the breaking point . . . and the sisters will learn that they can't trust anyone-not even each other. "The story of Geraldine's return to her roots is vividly told... [for] readers looking for something to follow Jeanette Walls' nonfiction *The Glass Castle*." -- *Booklist* "An excellent psychological thriller that's filled with dark family secrets and plenty of intrigue." -- *New York Journal of Books*

General Travis Bains has two daughters, one who is good, and one who is bad. Everyone knows Lindsey is the good one, and Jessie is the bad one. Jessie Bains is the other sister, the bad sister, which she has proven more often than not, until the day she gets kidnapped and brutally raped. Will Hendricks, one of her father's soldiers, rescues her and brings her home, but fears she may be nearly destroyed by what is done to her. The most important thing, however, is that no one can know, per the general's orders. Jessie's life was always far from normal as the daughter of one of the most revered generals in the world. No one sees what the general does to Jessie, except Will. When Will discovers the danger Jessie is living in at her father's hand, he once again rescues her. Will has survived the horrors of war, but is now engaged in a battle that has become far more personal and far more deadly. Will alone realizes what the general has done and will do to destroy his "other" daughter.

One had a secret. One lost her mind. One died. After the tragic death of her twin sister and a subsequent breakdown, Abi has moved to Bath to make a fresh start. But wherever she goes, she's haunted by the memory of Lucy, and can't stop herself from searching fruitlessly for her sister's face in crowds. One day she meets Bea -- a girl with an uncanny resemblance to Lucy and Bea's twin brother, Ben, with whom she feels an irresistible attraction. Before long, Bea has invited Abi to live in their townhouse, which places Abi's budding relationship with Ben under strain. But Bea has a secret to hide that she'll do anything to protect, and as Abi falls deeper in love with Ben, things in the house take a turn for the worse. Slowly, Abi begins to unravel, and must question everything she thought she knew about her new friends -- and about herself.

The sunroom at the back of the house is just as I remember. I can't taste homemade lemonade or smell oatmeal cookies without thinking of home, of the beautiful cliffs of Martino Bay, and I feel welcomed. But all thoughts of a happy family reunion are destroyed the moment I see him... He's as handsome as I remember: broad shoulders, piercing blue eyes, hair the colour of burnt toffee. The man who once meant the world to me. The reason I fled eleven years ago. I've never told anyone the terrible mistake I made that night. The secret we share. I'm still haunted by the crashing waves at the bottom of the cliffs, the blood... But what is he doing at my sister's house? And then I see her. My baby sister. She smiles, she tips her hand so I can see the ring. And his arm slides around her waist, pulling her close... A twisty and emotional domestic thriller for fans of Liane Moriarty, Kerry Fisher, and Sally Hepworth from USA Today bestselling author Nicola Marsh.
