The Reformation had to be political because the medieval church had become a political power and the popes had claimed authority over the secular rulers. When the Roman Empire ceased to exist in the West at the end of the fifth century, the church there found itself in the position of being independent of the political order for the first time since Constantine became emperor.

The European wars of religion were a series of Christian religious wars which were waged in Europe during the 16th, 17th and early 18th centuries. Fought after the Protestant Reformation began in 1517, the wars disrupted the religious and political order in the Catholic countries of Europe. However, religion was only one of the causes, which also included revolts, territorial ambitions, and ...

The Protestant Reformation was a religious movement that began in 1517 with Martin Luther, a German monk who sought to reform the corruption in the Catholic Church. Though the movement was primarily spiritual, the ethos of individuality promoted by Protestantism led many to rebel against the authority of the church and the powerful Habsburg monarchs, who used their authority to control large empires.

Political Changes During the Protestant Reformation | Synonym

Reformation, also called Protestant Reformation, the religious revolution that took place in the Western church in the 16th century. Its greatest leaders undoubtedly were Martin Luther and John Calvin. Having far-reaching political, economic, and social effects, the Reformation became the basis for the founding of Protestantism, one of the three major branches of Christianity.

Bireley indicates that there are two things to take into consideration when discussing Catholicism in the Reformation era: one, that it did not exist in a hermeneutical seal away from the social, religious, and political impact of the various movements of the Reformation, and also that Catholicism in 1700 is notably different than Catholicism in 1450. [5]

Why the Reformation is About Much More than Religion ...

Put simply, the Reformation was as much a political revolt as it was ever a theological movement. Political expediency among many of the princes in the Holy Roman Empire made the embrace of a...
