The Raven Academy could save my life... if it doesn't kill me first. Waitressing might pay my bills, but it's my cage fighting at night that really cranks my gears. Until some weird hidden power helped me win a fight. Now everyone is too scared to step in the ring with me. And my life is going from weird to worse. The same night a werewolf tried to tear out my throat, a guy shows up telling me magic exists AND goes on to prove it. And, oh yeah, my life is in danger now that my abilities have started to show. Apparently the answer is for me to follow this hottie professor to some Raven Academy and learn magic. School was never my jam, but at least this one comes with a hot demon who's helping me train and a sexy fellow student who seems to be interested in more than just study hall. Throw in Professor Sexy Pants tutoring me privately to improve my magic, and it's every girl's dream. Until I find out I'm part of some save-the-world prophecy, and the fate of all supernatural creatures rests on my shoulders. Great. The gods walk among us. And they just might steal your soul... or your heart. I thought I'd survived everything life could throw at me. All I wanted was to keep my distance from the criminals I work for and get my little brother out of the hell that is our mother's house. Then I died and woke up to four stunningly hot gods telling me I'm now a valkyrie. Sly, sharp Loki. Jovial but ferocious Thor. Dreamily compassionate Baldr. Grim and secretive Hod. They all have something to teach me. And around them, my walls start to crack. But the gods didn't summon me just for kicks. Their king is missing, and they need me to find him. The first three valkyries they sent on the job never made it back. More power is awakening in me than I could ever have imagined—and the gods' enemies are more devious than even they knew.
