Karen Traviss has done an excellent job with the Gears universe so far, and The Slab is no exception. The story is one of the best yet, detailing Marcus' time in the infamous Slab. It's dark, gritty, and has an air of hopelessness to it even though those who've played the videogames know the best result.

The Jacinto Maximum Security Prison, or The Slab, was a prison situated on the Jacinto Plateau. The prison was once used to imprison Marcus Fenix for four years, and housed Sera 's worst criminals. The life expectancy for inmates was less than a year. Four years into Marcus' imprisonment, Colonel Hoffman pardoned all of the prisoners in The Slab except for Marcus, and left him to die.

Beneath the ten-meter layer of rich soil, Ephyra was a granite plateau, a big lump of dead volcano, too hard for even grubs to dig through, and that was part of the reason Ephyra was still largely intact. If the assholes wanted a piece of it, they had to come up to the surface and face the COG on its own terms, or find a fissure.

MARCUS FENIX. WAR HERO. LOYAL SON. TRAITOR. Ten years after Emergence Day, as the Locust Horde advances on humanity's last defended area—Ephyra—in a bloody war that has seen billions die, Marcus Fenix does the unthinkable: he defies orders and abandons his post during a critical battle in a bid to rescue his father, weapons scientist Adam Fenix. But Adam is buried in the rubble during a ferocious assault on the Fenix mansion, and Ephyra falls to the enemy. Marcus, grieving for a father everyone believes is dead, is court-martialed for dereliction of duty and sentenced to forty years in the Coalition of Ordered Government's brutal maximum security prison, known simply as the Slab. But Adam is very much alive, snatched from the destruction by the elite Onyx Guard on Chairman Richard Prescott's orders. He's now a long way from home and in a prison of his own—a COG doomsday bunker on the tropical island of Azura, a place hidden from the rest of Sera since the Pendulum Wars. His own guilty secret has been exposed: Adam knew the Locust existed deep below the surface of Sera long before Emergence Day, and were being driven from their tunnels by a lethal parasite known as the Lambert. Now he has to find a way to destroy the Lambert while the dwindling COG forces fight to hold back a growing Locust army that's threatening to overrun the city. As Adam struggles to find redemption in his comfortable island jail, Marcus seeks his own atonement in the squalid, closed world within the Slab's granite walls. While Dom Santiago and Anya Stroud fight to get him released, ready to make any sacrifice to free him, Marcus gradually finds unexpected kinship among Sera's most dangerous criminals—and a way to carry on his personal war against the Locust. "Adam, you knew this day would come." It was a familiar voice: silky, imperial, polished, and utterly human. "Hello, Myrrah." Adam Fenix found himself thinking of the terrible Locust food again. "You got my message, then." "And how right you were. We do need you. And we shall take you. I hope you're not planning anything foolish. You have responsibilities, Adam." It would be a living death. The Locust Queen would never release him, even if he developed a countermeasure. But he didn't deserve any better. "I also have my service pistol." "And I can take your son at any time." He had the measure of her, then, and she had his. "You leave Marcus out of this. It's a condition." He opened the desk drawer and took out the handgun, a 9mm officer's weapon. It made a distinctive clunk on the wooden desktop as he slammed it down. "If anything happens to him, I don't care what happens to the rest of Sera."

"As kids, the three of them were inseparable; as soldiers, they were torn apart. Marcus Fenix and Dominic Santiago fought alongside Dom's elder brother Carlos at Aspho Fields in the epic battle that changed the course of the Pendulum Wars. There's a new war to fight now, a war for mankind's very survival. But while the last human stronghold on Sera braces itself for another onslaught from the Locust Horde, ghosts come back to haunt Marcus and Dom, and the return of an old comrade threatens to dredge up an agonizing secret Marcus has sworn to keep. As the beleaguered Gears of the Coalition of Ordered Governments take a last stand to save mankind from extinction, the harrowing decisions made at Aspho Fields have to be relived and made again. Marcus and Dom can take anything the Locust Horde throws at them--but will their friendship survive the truth about Carlos Santiago?"--Page 4 of cover.

Continuing the saga of the bestselling game series! With the Locust Horde apparently destroyed, Jacinto's survivors have begun to rebuild human society on the Locusts' stronghold. Raiding pirate gangs take a toll—but it's nothing that Marcus Fenix and the Gears can't handle. Then the nightmare that they thought they'd left behind begins to stalk them again. Something far worse, something even the Locust dreaded, has emerged to spread across the planet, and not even this remote island haven is beyond its reach. Gears and Stranded must fight side by side to survive their deadliest enemy yet, falling back on the savage tactics of another bloody siege—Anvil Gate.

The new novel set within the action of the Xbox Game Studios video game Gears 5, by New York Times bestselling author Jason Hough. THE OFFICIAL TIE-IN TO THE EXCITING VIDEO GAMES GEARS 5 AND GEARS TACTICS In the aftermath of Settlement 2's destruction, Kait Diaz reels from the near loss of a close friend amid utter defeat at the hands of the Swarm. To move forward, she must choose either to walk the Outsider path of her mother, or rise to her beckoning duty as a Gear, as her father did. As Kait grapples with her circumstance, an unexpected ally illuminates secrets from the past that offer a new perspective. Over four decades before, the two superpowers of Sera - the Coalition of Ordered Governments, and the Union of Independent Republics - wage a bitter, worldwide conflict known as the Pendulum Wars. For nearly a century, the two have fought to wrest control over the most precious energy resource: Imulsion. On the 79th year of the Pendulum Wars, Gabriel Diaz is a decorated Lieutenant Colonel serving the Coalition, assigned to Vectes Naval Base - a fortress that's seen little action despite its close proximity to UIR territory. The island's relative quiet is disturbed when a COG special forces team known as Ghost Squad arrive with a mysterious mission to the nearby island of Knifespire: an unforgeting rock of seemingly no strategic value. When the Ghosts send out a distress call, it's up to Gabe to evacuate them - and what he discovers on Knifespire could change the very course of the Pendulum Wars. There, the Battle of Gatka Ridge will define Gabe's legacy, and shape the future of his daughter, Kait Diaz.

The final novel of the Kilo-Five Trilogy by #1 New York Times bestselling author Karen Traviss—part of the expanded universe based on the award-winning video game series Halo! 2553. With the thirty-year-long Covenant War finally over, the Office of Naval Intelligence faces old grievances rising again to threaten Earth. Angry and bitter colonists—still wanting to settle scores from an insurrection put on hold for three decades—crave justice...as does a man whose life was torn apart by ONI when his young daughter was abducted for the SPARTAN-II program. Black-ops squad Kilo-Five now find its collective loyalty tested beyond the breaking point when the father of their Spartan comrade, still searching for the truth about her disappearance, prepares to glass Earth's cities to get an answer. How far will Kilo-Five go to stop him? And will he be able to live with the truth when he finds it? The painful answer lies with someone long dead, and a conscience that still survives in the most unlikely, undiscovered place...

Upon its release, the original Gears of War revolutionized third-person shooter action with a combination of gorgeous environments, iconic characters, and brutal action. Now, twenty-five years after the events of Gears of War 3, a fresh generation of heroes will encounter a new enemy that threatens to bring humanity even closer to extinction. To commemorate the next chapter of the Gears of War epic, Dark Horse Books is joining forces with The Coalition to bring fans The Art of Gears of War 4. Featuring hundreds of individual pieces of concept and production art, finished renders, and intimate commentary from the game's creators, this gorgeous volume is a must-have item for veteran Gears and rookies alike! The essential companion to Gears of War 4! Featuring exclusive commentary from the game's creators! This is the official artbook for The Coalition and Microsoft Studios' Gears of War 4 video game!

An original Gears of War novel, exclusively detailing the aftermath of the Locust War written by New York Times bestselling author Michael A. Stackpole. The Locust War has ended with an energy weapon that pulsed across the land, destroying Locust and Lambert alike. The world is in shambles and the few survivors are isolated from one another. Humanity must begin anew. This novel reveals the canonical, never-before-seen events set in the time immediately following the game Gears of War 3. With most of Sera's civilization destroyed, Sergeant Marcus Fenix and Lieutenant Anya Stroud must somehow rebuild on the ruins. For Marcus, his purpose is impossible to grasp. With no clear enemy to fight, there may be no place left for him in this postwar world. Some call him hero, others view him with resentment. As Anya struggles to create alliances to re-form the Coalition of Ordered Governments, she quickly discovers how impossible it is to tell friend from foe. Then whispers of Locust still stalking the land begin to spread. Fearing the worst, Marcus forms a team to assess the potential threat. As he and the other Gears search for Locust survivors, however, they quickly discover that the new enemy may be all-too-human, and utterly ruthless.
