I just got an email from Testmasters offering more notes in addition to the notes given in class. The hydrology and culvert notes are complete, the transportation and traffic seem to be missing the equations on a lot of pages, so maybe they'll fix that soon? Anyway, here is the link to what they have. Beware, it is a LOT.

relatively close to their eventual target. The terrorist groups existed for 1,205 days from the first planning meeting to the date of the actual/planned terrorist incident. The planning process for specific acts began 2-3 months prior to the terrorist incident. This study examined selected terrorist groups/incidents in the U.S. from 1980-2002. It provides for the potential to identify patterns of conduct that might lead to intervention prior to the commission of the actual terrorist incidents. Illustrations.

The ideal refresher for those still in school or recently graduated, or for those who have limited time to study, this guide covers all the general FE/EIT exam subjects. Each chapter provides a definition of
