In Trickster Makes This World, Lewis Hyde brings to life the playful and disruptive side of human imagination as it is embodied in trickster mythology. He first visits the old stories Hermes in Greece, Eshu in West Africa, Krishna in India, Coyote in North America, among others and then holds them up against the lives and work of more recent creators: Picasso, Duchamp, Ginsberg, John Cage, and Frederick Douglass.

Trickster Makes This World: Mischief, Myth and Art: Hyde ...

Lewis Hyde's Trickster Makes This World is a fascinating investigation into the Trickster archetype within the context of world mythology, art, and to a minor extent, history. Much of the book is artfully written, but it can come off at times at trying to go into too many directions at once or overly repetitive regarding some ideas.

In *Trickster Makes This World*, Lewis Hyde brings to life the playful and disruptive side of human imagination as it is embodied in trickster mythology. He first visits the old stories—Hermes in Greece, Eshu in West Africa, Krishna in India, Coyote in North America, among others—and then holds them up against the lives and work of more recent creators: Picasso, Duchamp, Ginsberg, John Cage, and Frederick Douglass.

Trickster Makes This World: Mischief, Myth and Art ...

In North America, trickster stepped in to defeat the monsters who used to feed on humans. The myth says, then, that there are large, devouring forces in this world, and that trickster's intelligence arose not just to feed himself but to outwit these other eaters. Typically, this meeting is oppositional — the prey outwitting the predator.

TRICKSTER MAKES THIS WORLD: Mischief, Myth and Art. By ...

Trickster is a figure of the doorway, the byway, the crossroads—one who wanders or who waits for the opportune accident, who capitalizes on the flukes of chance. One of the ways that trickster "makes this world" is by taking us out of established patterns and following unexpected pathways. "Accident is needed for certain kinds of change," Hyde notes.

In *Trickster Makes This World*, Lewis Hyde brings to life the playful and disruptive side of human imagination as it is embodied in trickster mythology. He first visits the old stories—Hermes in Greece, Eshu in West Africa, Krishna in India, Coyote in North America, among others—and then holds them up against the lives and work of more recent creators: Picasso, Duchamp, Ginsberg, John Cage, and Frederick Douglass. Twelve years after its first publication, *Trickster Makes This World*—authoritative in its scholarship, loose-limbed in its style—has taken its place among the great works of modern cultural criticism. This new edition includes an introduction by Michael Chabon.

'Lewis Hyde's second masterpiece.' Margaret Atwood

*Trickster Makes This World* brings to life the playful and disruptive side of the human imagination as it is embodied in the trickster mythology. Most at home on the road or at the twilight edge of town, tricksters are consummate boundary-crossers, slipping through keyholes, breaching walls subverting defence systems. Always out to satisfy their inordinate appetites, lying, cheating and stealing, trickster are a great bother to have around but paradoxically they are also indispensable heroes. In this fascinating book, Lewis Hyde explores the old myths that state that the trickster made the world as it actually is. He argues that our world, with its complexity and ambiguity, its beauty and its dirt, was trickster's creation, and the work is not yet finished.

DIV In 1963, Martin Luther King, Jr. delivered his famous 'I Have a Dream' speech. Thirty years later his son registered the words 'I Have a Dream' as a trademark and successfully blocked attempts to reproduce these four words. Unlike the Gettysburg Address and other famous speeches, 'I Have a Dream' is now private property, even though some the speech is comprised of words written by Thomas Jefferson, a man who very much believed that the corporate land grab of knowledge

## Download Ebook Trickster Makes This World Mischief Myth And Art

was at odds with the development of civil society. Exploring the complex intersection between creativity and commerce, Hyde raises the question of how our shared store of art and knowledge might be made compatible with our desire to copyright everything, and questions whether the fruits of creative labour can – or should – be privately owned, especially in the digital age. ‘ In what sense, ’ he writes, ‘ can someone own, and therefore control other people ’ s access to, a work of fiction or a public speech or the ideas behind a drug? ’ Moving deftly between literary analysis, history and biography (from Benjamin Franklin ’ s reluctance to patent his inventions to Bob Dylan ’ s admission that his early method of songwriting was largely comprised of ‘ rearranging verses to old blues ballads, adding an original line here or there... slapping a title on it ’ ), *Common As Air* is a stirring call-to-arms about how we might concretely legislate for a cultural commons that would simultaneously allow for financial reward and protection from monopoly. Rigorous, informative and riveting, this is a book for anyone who is interested in the creative process. /div

Trickster disrupted the world around him, and in doing so he reshaped it. Playful, mischievous, subversive, amoral, tricksters are a great bother to have around, but they are also indispensable heroes of culture. *Trickster Makes This World* revisits the stories of Coyote, Eshu and Hermes and holds them up against the life and work of more recent creators: Pablo Picasso, Marcel Duchamp, John Cage, Allen Ginsberg, Maxine Hong Kingston and others. Authoritative in its scholarship, supple and dynamic in its style, *Trickster Makes This World* encourages you to think and see afresh.

Of all the characters in myths and legends told around the world, it's the wily trickster who provides the real spark in the action, causing trouble wherever he goes. This figure shows up time and again in Native American folklore, where he takes many forms, from the irascible Coyote of the Southwest, to Iktomi, the amorphous spider man of the Lakota tribe. This dazzling collection of American Indian trickster tales, compiled by an eminent anthropologist and a master storyteller, serves as the perfect companion to their previous masterwork, *American Indian Myths and Legends*. *American Indian Trickster Tales* includes more than one hundred stories from sixty tribes--many recorded from living storytellers—which are illustrated with lively and evocative drawings. These entertaining tales can be read aloud and enjoyed by readers of any age, and will entrance folklorists, anthropologists, lovers of Native American literature, and fans of both Joseph Campbell and the Brothers Grimm.

“ One of our true superstars of nonfiction ” (David Foster Wallace), Lewis Hyde offers a playful and inspiring defense of forgetfulness by exploring the healing effect it can have on the human psyche. We live in a culture that prizes memory—how much we can store, the quality of what ’ s preserved, how we might better document and retain the moments of our life while fighting off the nightmare of losing all that we have experienced. But what if forgetfulness were seen not as something to fear—be it in the form of illness or simple absentmindedness—but rather as a blessing, a balm, a path to peace and rebirth? *A Primer for Forgetting* is a remarkable experiment in scholarship, autobiography, and social criticism by the author of the classics *The Gift* and *Trickster Makes This World*. It forges a new vision of forgetfulness by assembling fragments of art and writing from the ancient world to the modern, weighing the potential boons forgetfulness might offer the present moment as a

## Download Ebook Trickster Makes This World Mischief Myth And Art

creative and political force. It also turns inward, using the author ' s own life and memory as a canvas upon which to extol the virtues of a concept too long taken as an evil. Drawing material from Hesiod to Jorge Luis Borges to Elizabeth Bishop to Archbishop Desmond Tutu, from myths and legends to very real and recent traumas both personal and historical, *A Primer for Forgetting* is a unique and remarkable synthesis that only Lewis Hyde could have produced.

A guide to the ancient symbols and sites of the Southwest's most iconic image

On hard core pornographic cinema.

The myth of the Trickster—ambiguous creator and destroyer, cheater and cheated, subhuman and superhuman—is one of the earliest and most universal expressions of mankind. Nowhere does it survive in more starkly archaic form than in the voraciously uninhibited episodes of the Winnebago Trickster Cycle, recorded here in full. Anthropological and psychological analyses by Radin, Ker é nyi, and Jung reveal the Trickster as filling a twofold role: on the one hand he is “ an archetypal psychic structure ” that harks back to “ an absolutely undifferentiated human consciousness, corresponding to a psyche that has hardly left the animal level ” (Jung); on the other hand, his myth is a present-day outlet for the most unashamed and liberating satire of the onerous obligations of social order, religion, and ritual.
