emphasis on the relationship between the scientific and the pragmatic approaches to research, while the key concepts are explored and applied to real-life research throughout the book.

Research Methods For Business, 8th Edition explains the principles and practices of using a systematic, organized method for solving problematic issues in business organizations. Designed to help students view research from the perspective of management, this popular textbook guides students through the entire business research process. Organized into six main themes—Introduction, Defining the Management and the Research Problem, Theory, Collecting Information, Drawing Conclusions, and Writing and Presenting the Research Report—the text enables students to develop the skills and knowledge required to successfully create, conduct, and analyze a research project. Now in its eighth edition, this popular textbook has been thoroughly updated to incorporate substantial new and expanded content, and reflect current research methods and practices. The text uses a unique blended learning approach, allowing instructors the flexibility to custom-tailor their courses to fit their specific needs. This innovative approach combines the face-to-face classroom methods of the instructor with internet-based activities that enable students to study what they want, when they want, at their own pace.

Known for its clear and practical approach, this book offers a framework for conducting research in a scientific manner in all areas of business. Readers learn how to develop practical knowledge and skills to understand the ways in which systematic research can be conducted to describe, explain, and predict phenomena of interest pertaining to business. The fourth edition will continue to be strong in delivering a technical approach while presenting more real world applications.

- Introduction to Research
- Scientific Investigation
- Technology and Business Research
- The Research Process: Steps 1 to 3: The Broad Problem Area, Preliminary Data Gathering, Problem Definition
- The Research Process: Steps 4 and 5: Theoretical Framework Hypothesis Development
- The Research Process: Step 6: Elements of Research Design

- Sampling
- Data Analysis and Interpretation
- The Research Report
- Managerial Decision Making and Research

Market_Desc: The book is intended for all business and marketing students taking Research Methods (usually 2nd year and 3rd year) as well as conversion masters and masters courses. About The Book: Reputed for its clear and practical approach, Sekaran offers a framework for conducting research in a scientific manner in all areas of business. Students learn to develop practical knowledge and skills to understand and carry out research projects. This new edition is updated to strengthen areas of the text such as Data Analysis and to totally refresh the section on the role of technology and the use of statistical packages in research. Examples and scenarios will be updated and the book continues to emphasize managerial relevance and ethical implications throughout.

A gripping tale of adventure and searing reality, *Lucky Boy* gives voice to two mothers bound together by their love for one lucky boy. “Sekaran has written a page-turner that’s touching and all too real.”—People “A fiercely compassionate story about the bonds and the bounds of motherhood and, ultimately, of love.”—Cristina Henríquez, author of *The Book of Unknown Americans* Eighteen years old and fizzing with optimism, Solimar Castro-Valdez embarks on a perilous journey across the Mexican border. Weeks later, she arrives in Berkeley, California, dazed by first love found then lost, and pregnant. This was not the plan. Undocumented and unmoored, Soli discovers that her son, Ignacio, can become her touchstone, and motherhood her identity in a world where she’s otherwise invisible. Kavya Reddy has created a beautiful life in Berkeley, but then she can’t get pregnant and that beautiful life seems suddenly empty. When Soli is placed in immigrant detention and Ignacio comes under Kavya’s care, Kavya finally gets to be the singing, story-telling kind of mother she dreamed of being. But she builds her love on a fault line, her heart wrapped around someone else’s child. “Nacho” to Soli, and “Iggy” to Kavya, the boy is steeped in love, but his destiny and that of his two mothers teeters between two worlds as Soli fights to get back to him. *Lucky Boy* is a moving and revelatory ode to the ever-changing borders of love.
