Wine and Spirits Industry Statistics | Sommtable.com

The wine and spirits industry is plagued with supply chain problems like pilferage, counterfeiting, illegal blending, adulteration, the addition of hazardous ingredients, and label fraud. Counterfeit wines are a multi-billion dollar problem with studies showing that at least 20% of wines are counterfeit. One cannot easily distinguish between a genuine bottle of wine from a reputable vineyard versus from a counterfeiter.

Anti-Counterfeiting Solutions for Wine & Spirits - NanoMatriX

The WSTA has the largest and broadest membership base of any trade association in our sector; multi-channel, multi-category, national and international, start-ups through to global brands, the full length of the supply chain.

Covers almost everything you need to know about the food, beverage and tobacco industry, including: analysis of major trends and markets; historical statistics and tables; major food producers such as Kraft and Frito Lay; and more.
