Wisdom of the Maya: An Oracle of Ancient Knowledge for ...

Gonda suggests the central meaning of Maya in Vedic literature is, "wisdom and power enabling its possessor, or being able itself, to create, devise, contrive, effect, or do something". [31] [32] Maya stands for anything that has real, material form, human or non-human, but that does not reveal the hidden principles and implicit knowledge that creates it. [31]

Pocket Maya Angelou Wisdom is a collection of some of her best and most empowering quotes. This is the ultimate keepsake for fans of Maya Angelou’s beautiful poetry, as well as for anyone looking for a bit of in-the-moment inspiration to have in their back pocket. Some quotes from Maya Angelou: 'If you don't like something, change it. If you can't change it, change your attitude.' 'You may not control all the events that happen to you, but you can decide not to be reduced by them.' 'Love recognizes no barriers. It jumps hurdles, leaps fences, penetrates walls to arrive at its destination full of hope.' 'History, despite its wrenching pain, cannot be un-lived, however, if faced with courage, need not be lived again.'

Wisdom of the Maya: An Oracle of Ancient Knowledge for ...

“Words mean more than what is set down on paper,” Maya Angelou wrote in her groundbreaking memoir I Know Why the Caged Bird Sings. Indeed, Angelou’s words have traveled the world and transformed lives—inspiring, strengthening, healing. Through a long and prolific career in letters, she became one of the most celebrated voices of our time. Now, in this collection of sage advice, humorous quips, and pointed observations culled from the author’s great works, including The Heart of a Woman, On the Pulse of Morning, Gather Together in My Name, and Letter to My Daughter, Maya Angelou’s spirit endures. Rainbow in the Cloud offers resonant and rewarding quotes on such topics as creativity and culture, family and community, equality and race, values and spirituality, parenting and relationships. Perhaps most special, Maya Angelou’s only son, Guy Johnson, has contributed some of his mother’s most powerful sayings, shared directly with him and the members of their family. A treasured keepsake as well as a beautiful tribute to a woman who touched so many, Rainbow in the Cloud reminds us that “if one has courage, nothing can dim the light which shines from within.”

New York Times Bestseller A breakout teen author explores the true meaning of popularity and how to survive middle school in this hysterically funny, touchingly honest contemporary memoir. “I was inspired by [Maya’s] journey and made a point of saving a copy of ‘Popular’ for my sister, who starts middle school this fall. Maybe if I had read it when I was her age, it could have saved me from a world of hurt, or at least put that world in perspective.” —Maude Apatow, New York Times Book Review
Can curlers, girdles, Vaseline, and a strand of pearls help a shy girl become popular? Maya Van Wagenen is about to find out. Stuck near the bottom of the social ladder at “pretty much the lowest level of people at school who aren’t paid to be here,” Maya has never been popular. But before starting eighth grade, she decides to begin a unique social experiment: spend the school year following a 1950s popularity guide, written by former teen model Betty Cornell. The real-life results are hilarious, painful, and filled with unexpected surprises. Told with humor and grace, Maya’s journey offers readers of all ages a thoroughly contemporary example of kindness and self-confidence, along with a better understanding of what it means to be popular.

An initiate’s inside account of ancient Mayan spiritual practices alive today • Details the initiation process the author went through to become a Mayan shaman-priestess, including rituals, prayers, and ceremonies • Explains the foundational spiritual wisdom of the Mayan calendar as a living entity, its cycles of time, and the significance of “the counting of the days”, which helps keep time itself alive • Examines the power of dance and Mayan ceremonies, Mayan future-telling, and communication with ancestors through the sacred fire
Offering an insider’s experiential account of ancient Maya spiritual wisdom and practices, initiated Mayan shaman-priestess Gabriela Jurosz-Landa opens up the mysterious world of the Maya, dispelling the rampant misinformation about their beliefs and traditions, sharing the transcendent beauty of their ceremonies, and explaining the Maya understanding of time, foundational to their spiritual worldview and cosmology. The author, an anthropologist, details the initiation process she went through to become a Mayan shaman-priestess in Guatemala, including rituals, prayers, the presence of numinous forces, and the transmission of sacred knowledge. She explains the spiritual wisdom of the Mayan calendar as a living entity, its cycles of time, and the significance of “the counting of the days”, which helps keep time itself alive. She examines Maya spiritual and cosmological concepts such how the universe is shaped like a triangle over a square. She reveals the profound power of dance in Maya tradition, explaining how ritual dance halts the flow of time, reactivates primordial events, and captures vital energies that keep the Maya spiritual tradition vital and alive. Exploring other Mayan secret knowledge, she also details Maya ritual attire, Mayan future-telling with the calendar, the reading of the Tzi’te beans, and how the Maya communicate with ancestors through the sacred fire. Illustrating how contemporary Mayan life is suffused with spiritual tradition and celebration, the author shares the teachings of the Maya from her initiate and anthropologist point of view in order to help us all learn from the ancient wisdom of their beliefs and worldview. Because, to truly understand the Maya, one must think like the Maya.

Since the publication of her first autobiography, I Know Why the Caged Bird Sings, Maya Angelou has been celebrated as one of America’s most important writers and her words are indelibly imprinted on the hearts of millions. Inspired by the woman who has inspired us all, Rainbow in the Cloud offers nearly 300 of Dr Angelou’s wonderful quotes, organised in themed sections (including art, love, spirituality, womanhood, and life in the American South) - from sage advice and beautiful stanzas to humorous quips and pointed observations - drawn from each of her published works and from her celebrated (and much shared) social media posts. This collection also features special words of wisdom she shared often with her family, chosen by her son, Guy Johnson.

Presents a collection of 300 inspirational quotes and observations from the author's many works over her long career, complemented by photographs taken throughout her life.

Can dreams be portals to different realities? Could they link the world of ancient Mayas to current times? Two women-a Maya priestess and modern spiritual seeker-are drawn together across centuries by Jana’s recurrent dream. Risking everything she holds dear and putting her marriage in jeopardy, Jana is compelled to journey to jungle-shrouded Maya ruins where she encounters mysterious forces linking her to Maya priestess Yalucha, who was mandated centuries before to hide her people's mystical knowledge from the Conquistadors, to be revealed at a critical time. Jana's reluctant husband Robert is swept along into unsettling experiences with his own Maya roots. What secret bond weaves their lives together with the ancient Maya through events during the height of Tikal, Uxmal and Chichen Itza? In the countdown to the Maya calendar ending in 2012, Jana is called to re-enact a ritual at Chichen Itza to revive hidden knowledge. Could her choice to fulfill this ancient Maya prophecy make a difference for the world? Jana must rediscover her own Maya powers to contend with dark shamanic forces bent on preventing her mission-and activates forces that can heal or destroy her deepest love.

The Mayan people and their Sacred Calendar continue to be a subject of fascination. "Jaguar Wisdom" presents an accessible introduction to the spiritual teachings and practices of the ancient and contemporary Mayan people. Since the Sacred Calendar remains the foundation of the Mayan spiritual tradition, "Jaguar Wisdom" introduces its complete magical system including correspondences, ritual astrology, and divination. Illustrations, glossary, bibliography, & index.

Since the mid-1980s, when Guatemala returned to civilian rule and achieved relative peace and stability, the Maya have begun openly expressing their spiritual beliefs and practices. Jean Molesky-Poz draws on in-depth dialogues with Maya Ajq'ijab' (keepers of the ritual calendar), her own participant observation, and inter-disciplinary resources to offer a comprehensive, innovative, and well-grounded understanding of contemporary Maya spirituality and its theological underpinnings. She reveals significant continuities between contemporary and ancient Maya worldviews and spiritual practices. Molesky-Poz opens with a discussion of how the public emergence of Maya spirituality is situated within the religious political history of the Guatemalan highlands, particularly the recent pan-Maya movement. She investigates Maya cosmovision and its foundational principles, as expressed by Ajq'ijab'. At the heart of this work, Ajq'ijab' interpret their obligation, lives, and spiritual work. In subsequent chapters, Molesky-Poz explores aspects of Maya spirituality—sacred geography (the reciprocal relationship between the earth and humans, sacred places, and the significance of the cross or quatrefoil map), sacred time (how the 260-day sacred calendar is "the heart of the wisdom of the Maya," the matrix of Maya culture), and ritual practice (the distinct way and method of ancestral study, with special attention to fire ceremonialism). She confirms contemporary Maya spirituality as a faith tradition with elaborate historical roots that has significance for individual, collective, and historical lives, reaffirming its own public space and legal right to be practiced.
