About Women, Law and Human Rights. Africa, with its mix of statute, custom and religion is at the centre of the debate about law and its impact on gender relations. This is because of the centrality of the gender question and its impact on the cultural relativism debate within human rights. It is therefore important to examine critically the role of law, broadly constructed, in African societies.

Numerous international and regional instruments have drawn attention to gender-related dimensions of human rights issues, the most important being the UN Convention on the Elimination of All Forms of Discrimination against Women ( CEDAW ), adopted in 1979 (see box). In 1993, 45 years after the Universal Declaration of Human Rights was adopted, and eight years after CEDAW entered into force, the UN World Conference on Human Rights in Vienna confirmed that women's rights were human rights.

Women are entitled to the full and equal enjoyment of all of their human rights and to be free from all forms of discrimination. Yet, discrimination against women persists in many areas, directly and indirectly, through laws and policies, social norms and practices and gender-based stereotypes. Gender equality before the law does not necessarily mean that women in practice have equal ...

Introduction. The disadvantages, discrimination and subordination suffered by women globally have been well documented in a variety of contexts, yet the issue of women's human rights has until relatively recently been neglected in international law. The instruments composing the international Bill of Rights contain general non-discrimination clauses which include the prohibition of discrimination on the basis of sex or gender, whereby the rights within these instruments are held to be ...

Human rights require public bodies to treat you with dignity and respect, consult you about decisions and respect your choices. Human rights law gives pregnant women the right to receive maternity care, to make their own choices about their care and to be given standards of care that respect their dignity and autonomy as human beings.

**Human Rights in Maternity Care - Birthrights**

Protecting women's and girls' rights must be embedded in national law and policy firmly anchored in international human rights standards. Equally important is that laws are implemented, such as through ready access to courts and an expectation of a fair hearing. Women and girls need to know their rights and have the power to claim them.
