Zenith quickly became known as an innovator. It released the first portable radio in 1924, followed two years later by the first radio that operated entirely on household electricity. In 1927, Zenith introduced the first radio with push-button tuning, and in 1940 it broadcast the first FM radio station in the Midwest.

Antique and Vintage Zenith Radios | Collectors Weekly

Founded by two Navy radiomen in 1919, luck and the infusion of capital from a wealthy adventurer and car salesman started the Zenith Radio Corporation on a journey that would propell it to the top of the United States electronics manufacturing industry. The rise was an interesting one, the cast of high profile.
